DIEGO GARCÍA LOZANO

DATA SCIENTIST AT ENDESA

PERSONAL PROFILE

Born in Oviedo (Asturias), currently working in Madrid developing both Data Scientist and Engineer tasks. https://diegoglozano.netlify.app/

EDUCATION

Universidad de Oviedo
Telecommunications Engineering,
- Mention in Telematics
2014 - 2019

UOC
MSc Mathematical and Computational Engineering
2021 - Present

Conservatorio de Oviedo
Professional Musician, Flute
2009 - 2016

LANGUAGES

Spanish: native
English: advanced (C1)

WORK EXPERIENCE

Endesa,
Data Scientist
JUN 2020 - PRESENT

- Advanced Analytics:
    - B2B Credit Risk: machine learning, reporting
    - B2C Sales: reporting
    - Stock simulations: Monte Carlo Markov Chain

Banco Santander,
Data Scientist
SEPT 2019 - JUN 2020

- Santander Analytics:
    - Reputational Risk: NLP, network graphs
- Santander Technology:
    - Cloud Azure data engineering and arquitecture

Artificial Intelligence Centre, Universidad de Oviedo,
Data Scientist
JAN 2019 - JUNE 2019

- Developing a classifier for incoming calls (060) (NLP)
- Conference in Nebrija University

EDP, Data Science Intern

JumpTV, QA Intern

SKILLS

Programming:
    - Python, SQL, Scala, Javascript, R
Machine Learning:
    - Scikit-Learn, XGBoost, Spark, H2O, NLTK
Deep Learning:
    - Tensorflow / Keras, PyTorch
Data Analytics:
    - Pandas, Spark
Agile methodology:
    - Scrum
